

Timestamp	Would you like to use FicRec	What proposed features in FicRec do you like the most?	What other features would you like to see?	Is there another site you would use instead?	If you answered "No" for question 1, please tell us why not.
2/6/2015 17:09:59	Yes	I like all these features	I just want the recommender	No not exactly.	
2/6/2015 18:03:17	No	Being able to see the most recent updates of the titles and people you follow			Demo was not interesting enough. Is there sound on the demo? I couldn't hear it.
2/6/2015 18:07:05	I'll check it out once, and use it	The fast and accurate fictional entertainment recommender.	That people may upload	I am the kind of person that go and browse in a whole purpose site for pictures (I don't like movies very much and have no preference for a specific plot)	
2/6/2015 18:35:57	I'll check it out once, and use it	The ability to search for titles by plot/character elements, ex. "Evil Protagonist" or "Happy Ending"		1. http://www.goodreads.com 2. http://www.harvard.edu 3. http://www.barnesandnoble.com 4. http://www.wattpad.com 5. http://www.bestsfb.com	
2/6/2015 18:39:12	I'll check it out once, and use it	The ability to search for titles by plot/character elements, ex. "Evil Protagonist" or "Happy Ending"	I think they are enough	Similar to social networks in general, taking the most important from each one.	
2/6/2015 19:22:31	I'll check it out once, and use it	The fast and accurate fictional entertainment recommender			
2/6/2015 19:45:49	I'll check it out once, and use it	I like all these features			
2/6/2015 20:31:01	I'll check it out once, and use it	I was not 100% clear of how it works by the video			
2/6/2015 21:01:19	I'll check it out once, and use it	The fast and accurate fictional entertainment recommender.	review score aggregation	anime-planet: user recommendations, "if you like this, then you'd like this feature"	
2/6/2015 22:46:50	I'll check it out once, and use it	The fast and accurate fictional entertainment recommender.	What other people are recommending	Not sure	
2/7/2015 4:59:26	I'll check it out once, and use it	The ability to search for titles by plot/character elements, ex. "Evil Protagonist" or "Happy Ending"		Friend suggestions: people you most likely don't know but like the same titles you do, Being able to see the most recent updates of the titles and people you follow, Reviews and discussions associated with each title	
2/7/2015 7:30:26	I'll check it out once, and use it	The fast and accurate fictional entertainment recommender.		Being able to see the most recent updates of the titles and people you follow	
2/7/2015 8:47:10	I'll check it out once, and use it	The fast and accurate fictional entertainment recommender		ability to download a public domain book, this is the first I've seen for this type of site	
2/7/2015 11:38:24	I'll check it out once, and use it	I like all these features		Search by rating, name of author, writer	
2/7/2015 12:43:45	Yes	I like all these features			
2/7/2015 18:39:45	Yes	The fast and accurate fictional entertainment recommender.			
2/7/2015 20:04:23	I'll check it out once, and use it	Being able to see the most recent updates of the titles and people you follow			
2/7/2015 20:43:03	I'll check it out once, and use it	The ability to search for titles by plot/character elements, ex. "Evil Protagonist" or "Happy Ending"	Weekly Top Recommendations	No I do not use any other site as of now.	
2/7/2015 23:58:35	No, I don't like fictional entertainment	Being able to see the most recent updates of the titles and people you follow			From the video I didn't understand what it is about, I can just do the search in google
2/8/2015 1:26:57	I'll check it out once, and use it	The fast and accurate fictional entertainment recommender.	The ability to search for titles	No	
2/8/2015 9:04:35	I'll check it out once, and use it	I like all these features			
2/8/2015 14:07:57	I'll check it out once, and use it	I like all these features			
2/8/2015 14:09:04	I'll check it out once, and use it	The fast and accurate fictional entertainment recommender.	The ability to search for titles on IMDb?		
2/10/2015 7:11:10	I'll check it out once, and use it	The fast and accurate fictional entertainment recommender.	All suggestions on product features are great. May I also suggest that the user be allowed to create a personal list of things used and aiming to use. I would really appreciate that.
